

Goldplay Mining Inc. – Environmental Policy

Goldplay Mining Inc. is committed to sustainable development and we recognize that the long-term sustainability of our business is dependent upon good stewardship in both the protection of the environment and the efficient management of the exploration and extraction of mineral resources.

We will ensure that directors, officers, employees and contractors are aware of this policy as well as the relevant responsibilities that it sets out.

- We will comply with all applicable environmental laws, regulations and requirements.
- We are committed to complying with relevant industry standards relating to the management of environmental risks.
- We are committed to establishing and maintaining management systems to identify, monitor and control the environmental aspects of our activities.
- We will ensure that our employees and contractors carry out their responsibilities in accordance with this Policy, applicable law and the industry standards we are committed to meeting.
- We will work with local representatives in the communities in which we operate to educate the community on the environmental obligations associated with our activities.
- We are committed to transparent communication and consulting with interested and affected parties on environmental aspects of our activities.
- We respect the rights, interests and traditions of Indigenous peoples where we operate.
- We encourage local hire and procurement, and work with our stakeholders to advance socioeconomic development in the regions where we operate.
